Experience

ASSISTANT STORE MANAGER, TULSA, OK

Target, 2017-2023

- Oversaw 15 departments and a team of 80; successfully managed departments that generated 60 million dollars in annual revenue
- Mentored department managers, resulting in the promotion of one within first 6 months of my tenure
- Created team schedule, captained annual inventory, and led planning of store-wide transitions

PROJECTS

Atlas School

Flora Fate

- Created a zodiac centered web application that provides an experience tailored to each user's zodiac sign
- The website features personalized Spotify playlists, curated landscapes, flowers, and book and movie suggestions based off the user's zodiac sign
- Managed project while also programming several key aspects to the web design

Airbnb Clone

- Created an app that empowers people with diet-sensitive health conditions by providing reliable dietary guidelines
- The app features food info, disease insights, health tips, and an AI chatbot for recipes and advice
- Oversaw design, project managment, and frontend development
